SMALL SCHOOLS COMBINED
ROBOTICS WORKSHOPS
2015

The Valley of Small Schools have joined together to bring Robotics to our students. We have specialist Robotics teachers Michele and Tina coming up from Sydney to run these fun-filled workshops! Students have been combined together in classes and workshops are being shared at our various small schools.

Please identify your child's class and where your workshops are being held. K-2 morning sessions begin at 8.30am.

Monday, 15 June – YEAR 2
Venue: Newrybar Public School
